

First Announcement and Call for Papers

ISDR 2016

Helsinki ,Harjavalta , Finland, May, 4-8 2016

International Symposium on Design Research 2016

We are pleased to be hold an international symposium at Helsinki and Harjavalta in Finland. Design Research Association is a researcher groups to explore the arts in a scientific approach. In the Symposium -1 of ISDR 2016, we will evaluate the skills of artistic expression in the scientific verification. In the Symposium -2, we will discuss, such as the visual representation and its applications based on the illusion theory.

PURPOSE AND CONCEPT OF SYMPOSIUM

ISDR 2016 is the International Symposium on Design Research. The objectives of the international symposium are to provide opportunity for mutual exchange in design research among artist, teachers, students and researcher in world wide region. If it is possible to provide a practical innovation of art and design, it is fortunate.
